Principal Report

Student Voice

One of the highlights of my week is my Thursday meeting with Year 10-12 Student Leaders. It is a feast of school improvement ideas and I enjoy the passion, energy and diversity with which the students offer their ideas. While concerned with traditional areas such as fundraising and activities, our Student Leadership Team is also an active contributor to improving the overall quality of learning in the school and programs such as Music, Sport, Environment, VCAL, Peer Support, Art and Debating. It is an outstanding model of our school value, Teamwork, and has over the years influenced the direction and success of the school.

Another example of student voice that has had direct influence on teaching and learning is the annual Student Feedback to Teacher survey. This involves all students giving each of their teachers anonymous feedback on 13 items related to teaching and learning on a 5 point scale. The aggregated score in 2010 was 4.21 representing significant progress and a high result given the 5 point scale. When we commenced the surveys in 2006, it was 3.9. More importantly, there has been a steady increase in the way that teachers use the data to set their professional development goals for the year. When I am asked to identify factors that have led to our improved results, I attribute the Student Feedback to Teacher survey process and our common system of monitoring work practices from Year 7-12 as the two key drivers of improvement. The surveys will be conducted in week 3 and 4 of this term, and again in the last weeks of term 3. The items students give feedback on are listed below.

- My Teacher respects me
- My Teacher is friendly, approachable and willing to listen
- My Teacher encourages and helps me to succeed
- My Teacher is knowledgeable in his/her subject
- My Teacher is fair when he/she deals with me
- My Teacher is positive, enthusiastic and has a sense of humour
- My Teacher makes the work interesting and fun
- My Teacher provides me with honest and useful feedback
- My Teacher is organized and well prepared
- My Teacher involves me in making choices and decisions about my activities
- My Teacher controls his/her anger and remains calm at all times
- My Teacher understands and relates to young people
- My Teacher maintains discipline

One of the examples of student leadership and voice that we are most proud of in the school is the Year 9 Sports Leadership students who absolutely shone at Wednesday’s Year 7 and 8 Athletics Carnival. Students were involved in coordination, marshalling, umpiring and judging, undertaking these duties with maturity and pride. Staff said that without exception the students showed outstanding leadership on the day.
As you will read later in the College News, the Year 7-9 SRC is well underway. I encourage students to participate in the SRC T Shirt Design Competition details of which will be in the daily bulletin. The SRC T Shirts will be worn at SRC and special school events to profile our SRC members within the school community. It is very satisfying to see so many layers and levels of student voice and leadership within our school, and even more pleasing to see the way they support they work and initiatives of one another. The Year 12 jumpers have also arrived and are looking wonderfully stylish. This is yet another example of impressive teamwork by the School Captains and Year 12s.

Wine and Cheese Fundraising

The 2011 Wine and Cheese Fundraiser will be held on Friday 3rd June in the College Library commencing at 3.30pm and we warmly invite all parents to attend. It is always a social and friendly occasion which provides the opportunity to catch up with parents you already know and meet other parents and staff. The Health and Physical Learning Area and students are delighted with the sport uniforms for girls, funded by last year’s Wine and Cheese Fundraiser. This year funds raised will be used for two important performing arts areas, Rock Eisteddfod (sets and costumes) and Music (specifically the purchase of a new drum kit which can be used for our many school bands.)

If you can spare a few hours to help set up for the Wine and Cheese Fundraiser on Friday 3 June, the Parents Association would be very grateful for your assistance. Please contact mcghie.yvonne.y@edumail.vic.gov.au if you can assist setting up from 3.00-4.30pm.

Vivienne Tellefson
Principal

JUNIOR SRC

On Tuesday the 3rd of May four students from the junior SRC went to a SRC Leadership conference at Melbourne Girls’ College. There were several other SRCs from a range of metropolitan schools. The conference focused on how SRCs can take an active role in working with students and teachers and how they can be informed and effective representatives. We were placed in groups and given a scenario where we had to demonstrate this skill. The conference was very involving, with role plays and plenty of mingling with other schools. It was great and we will be applying what we learned into our SRC at Brunswick.

Xavier Dupé
School Captains Report

This year we have begun to place emphasis on student involvement within the school. So far, we have been raising money for a number of causes including the Christchurch natural disasters. With fundraisers, many students have participated including student leaders in organisation and others helping on the day. This has helped to encourage student leadership throughout all year levels in the school, and not just with the designated captains. We’ve also recently set up a junior SRC who have already attended a leadership conference. We’re incredibly pleased with the progress that the school has made with student involvement and we’re beginning to develop a substantial school spirit.

Holly & Wudassie
School Captains

BSC’s participation in NAPLAN testing

It is a requirement of all Australian schools that we participate in NAPLAN testing. The tests for our Year 9 students will be on Tuesday 10th, Wednesday 11th and Thursday 12th May. We have approval from the Region and VCAA for Year 7 students to complete their tests on the following week Tuesday 17th, Wednesday 18th and Thursday 19th May.

The report parents will receive gives an indication of how your child is achieving compared with other Year 7 students across Australia and against the national minimum standard. The areas tested are Writing, Language Conventions (spelling, grammar and punctuation), Reading and Numeracy.

At the college we use the results of NAPLAN tests, together with teacher assessments in English and the other literacy data we collect, to identify and target students’ needs in English and Mathematics. The data we accumulate from the NAPLAN testing is valuable to us as a means of reflecting on our own assessments and as part of the ongoing record of student progress, and also in monitoring our overall effectiveness as a school in teaching basic literacy and numeracy. Arrangements will be made for students who are absent on any day to do the test later in the week as we would like to have a full data set.

If you have any questions about NAPLAN testing, please contact Heather Secomb on 8673 6739.

New Staff

Hi I’m Chris Tipping a Physical Education teacher at Brunswick Secondary College. I love to be active through a wide variety of activities, including AFL and fitness training. With this enthusiasm I believe I will help my students to gain similar appreciation about being healthy and look forward to the opportunity of doing this at Brunswick Secondary College.

Chris Tipping

Hi, my name is Helen St Jack and I am a graduate teacher from La Trobe University. My teaching methods are History, Humanities and Legal Studies and I am currently teaching Years 7 SOSE and English and Year 8 SOSE. I was a lawyer for a number of years practising in personal injury litigation. I am looking forward to teaching at BSC and to working with a great bunch of students!!

Helen St Jack

Sport

A big congratulations to the 14 years boys medley relay team that finished 6th at the state finals on the 7th of April. Brad Cox (Butterfly), Nathaniel Peacock (Backstroke), Aydan Moran (Freestyle) and Tom Harms (Breaststroke) are all excellent swimmers and it is fantastic for these boys to go so well at state level.

Well done to the year 7 boys and 9/10 boys tennis teams for winning the divisional championships in tennis. All the boys played extremely well and have worked hard to make the regional finals on the 3rd May.

Brunswick Secondary College’s Volleyball teams have been training hard all term and have just come up short and just missed out on finishing first in the division. Congratulations to the year 7 boys, 9/10 boys and 11/12 boys on finishing second and the year 7 and 9/10 girls teams on finishing 3rd.

Brent Pawley
I was one of eleven Chinese language students who were able to travel to China with Mr Xu and Ms Kyle. There were many amazing things about this once in a lifetime trip. We learnt lots about China's history, how they live and their culture. We also visited one of the eight man made wonders of the world, the Great Wall of China which is amazing to climb. The view is amazing and it makes you feel like you are flying because you are so high. There were many other things that I will never forget and it was worth it.

Maddie Holt 9K

China was an amazing experience. We traveled from Beijing where we got to climb and then toboggan down the great wall, visit the forbidden city and the summer palace to Xian where we were able to see the Terracotta warriors. Our final destination was Shanghai where we saw an impressive acrobatic show and got to go to the coca-cola factory, and see some more pretty gardens. In between these places we were also exposed to the different culture that China is, to our own. We were able to try bargaining at the stores and we would be walking down a street and there would be a familie’s washing hung over trees branches. There were also a lot of beggars that would follow you, showing how poor most of the population is. It made you realize how lucky we are to live in such an unpolluted, spacious city. I am extremely glad I went, but glad to be home too.

Flora Anderson-Cleary
In the first term of each school year, it is my practice to touch base with students and briefly chat with them about school and their transition to BSC. Students from each pastoral group were to write about their first impressions of Brunswick Secondary College.

Regards,

Nadia Cavallin, Level Year 7 Coordinator

Liam Bachmann  7U (4th April 2011): Before starting BSC, I was a bit nervous because I thought I would get lost and not find the right classrooms. After I started school, I found it difficult to find my classrooms. I also found it hard remembering to bring the right books to class. Now things have become a bit easier but I still get confused about the weeks because we have week 1 and week 2 of the timetable. I really love sport because I love running around and playing. I am looking forward to going to Italy with the school’s Italian tour next year. My brother went and he said it was good, found it interesting and learned a lot at the school in Italy.

Hafez Kanjou  7N (28th March 2011): On my first day here, I was a little nervous because I did not know where the classrooms were and the teachers were new to me. Throughout this term, I have met new people and made new friends. The teachers are nice and are very helpful. I like this school because the education is good. The teachers put in a lot of work so that we can learn. I think the teachers do as much as they can to help us learn. My favourite subjects are English and SOSE because Maths and Science are hard for me.

Deon Fulgaro  7B (28th March 2011): The first day at secondary school was very scary. Then I got to know some people and I started to like the school. By the second week of school, I settled in and was not scared anymore. The eight weeks I have been at BSC has been exciting and fun. I like all the teachers I have because they are all very good teachers. I hope that my next five years at BSC are just as good as this year.

Reece Inturrisi  7B (28th March 2011): Heading into the first day of the school year I was a little bit nervous as to what lies ahead for me at secondary school. My first day was fun. I loved the subjects I had and my teachers were helpful. I knew that this was going to be a new step in my life. Secondary school is more challenging and bigger than my primary school and I am still adjusting to the change. Some of my favourite things include the teachers, the classrooms, the challenges the school offers and the very friendly and helpful students. In the two months I have been here, I have had lots of fun and I am looking forward to the challenges ahead.

Nicholas Kainey  7C (22nd March 2011): My name is Nicholas Kainey. I am in year 7 and this is my second month here. So far, I have enjoyed everything. All the classes have been exciting. The people here are kind. I have met many interesting people in my year level. I think high school is much better than primary school because there are lots more opportunities and you are not stuck in the one classroom most of the day like at primary school.

Jamal Kassem  7S (8th April 2011): In Year 6, I was in the senior school but at BSC I am in the junior school. My first few days of high school were a bit tricky because I did not know many people and I had to get to know the students in my class. When I started, it was hard for me to get used to the routine. I had friends and teachers to guide me along the way and they helped me find classes and my way around the school. I like being here because it is a big school. I like my teachers because they walk around the classroom and help the students who need help and they make sure we understand the work before we move on to something new. I am looking forward to representing the school in different things and I will work hard towards getting a good job. I will need to be focussed in my work, listen to the teacher and punctual with my homework and to classes.

Riven Keating Stamp  7R (11th March 2011): When I first came to BSC, I was kind of scared but I had a big brother to show me where everything was. I thought high school would be a big scary place but it is not that bad. The people are friendly and after a week here, I knew where everything is and what books I needed for class. In a short time you can make heaps of friends. Right now, I am in 7R. I know everyone and it is a friendly class. My Pastoral teacher is Ms Mouratidis and she is the best. My first day here was great because the day started with sport and everyone was nice to me.

Anna Louey  7S (4th April 2011): At the beginning of the year, I was really excited about coming to BSC and starting a new chapter in my education. It has been great meeting new people and having different teachers for every subject. This term has gone very quickly and I have already learnt so much. BSC has been welcoming to the Year 7’s this year and I think we all have settled in and are organised. I look forward to next term and the new things that we will learn in our subjects and in elective subjects. I am also looking forward to debating and public speaking, performing our play in drama, sports days such as athletics and inter school sport. I am looking forward to learning a whole lot of new things in all subject areas. The highlights of the term for me are going on camp, making new friends and having activities and excursions. Being in SEAL has challenged me and I am wondering what the rest of the year at BSC will bring.
**Thomas Mazza 7K (8th April 2011):** When I started, I felt a bit lost because BSC is a big school and I did not know much about it. Now that I know the school it feels like I have been here for more than a term. I would recommend this school because it has good teachers and many facilities. I think the teachers are good because they help me out when I am stuck on a question. I think the students here are good because they do not bully others and they are friendly towards each other. I am striving to be a better student by doing my work and not mucking around with my friends in class.

**Mariana Saade 7C (15th March 2011):** At the start of the school year, I was shy and I was not confident. As the days passed, I began to feel less nervous. Now I am happy at this school. The students are very nice and they always welcome me into the group. I am comfortable here and I am looking forward to learning and doing my best at my work.

**Maneka Silva 7K (5th April 2011):** When I started I was shy because I did not know anyone and the school was new to me. At the start, I was not confident but now I am more confident because I have made friends and they have been helping me with my work. I like the students who come here because they are nice and helpful. I like the education here because I am learning a lot. My favourite subjects are Maths, English and Science. I would like to develop more confidence so I can do a lot more things.

**Jovana Simic 7R (11th March 2011):** When I first came to BSC, I was worried that I would not find any new friends, that I would get way too much homework and that I would be late for class and then get a detention. But a couple of days later I was not worried anymore because I had finished all my homework; I did not get detention and I made lots of new friends. It took me a week or two to get used to the routine. Secondary school is different to primary school as you do get more homework but if you make the time to do it and you are organised then you will be fine.

**Jasmine Taleb 7U (4th April 2011):** At the start of the year I was nervous because it was like going to a new home and everything was strange to me. After being here, a week or two it felt like I had been here for ages. The most difficult thing about starting high school was working out the locker combination and finding my classrooms, but this became easier as time went on.

**Mariam Taleb 7N (21st March 2011):** Hi there, my name is Mariam Taleb. When I first entered high school, I was terrified. High school is so different to primary school. The lockers, the periods and even the teachers are all so different! The first day at school was very good. Since then, I have met new people and I have noticed that everyone in the school gets along really well. By now, we have met most of the teachers. All the teachers have told and talked to us about the rules we must follow. I really enjoy my time at BSC and I am looking forward to another 5 years.

---

**VCE English**

The Wheeler Centre – 176 Little Lonsdale St, Melbourne, Victoria 3000.

Year 12 English students have the opportunity to attend a series of workshops at The Wheeler Centre in the city. The program of speakers and presentations reflects the VCE text list. Year 12 English classes will be studying the Australian play *Cosi* by Louis Nowra and then *A Streetcar Named Desire* by Tennessee Williams later in the year. The Wheeler centre presented Barry Otto speaking on Cosi on the 29th March and the session was well attended by our students.

Our next session is on the play *A Streetcar Named Desire* – on Tuesday 17 May at 4.30pm – 5.15pm. Students are required to get to and from the venue themselves. Some teachers will also attend.

Tickets are free and your teachers have made bookings. Please ensure that you speak to Ms Mouratidis, Ms McCallum, Ms Apted, Mr Spiller or Ms Pearson for the tickets.

**Cosi** by Louis Nowra

A performance of the play *Cosi* will be given in the Brunswick Secondary College auditorium on Thursday September 1st. All Year 12 English students are expected to attend. A notice regarding the performance and the cost will be sent home shortly and all students are expected to pay. Costs are kept to a minimum to ensure that all students have the opportunity to see performances such as this; the play is being studied as part of our Unit 4 course.

Any queries please contact

**Pauline Pearson, Head of English.**
I am in absolute awe. My experience of the ‘Katy Perry Behind - the - Scenes Experience’ and her California Dreams Tour Concert was absolutely amazing. I was one of the lucky four who won tickets to gain behind-the-scenes access to Rod Laver Arena before her show and experience the organized chaos that evolves into a theatrical extravaganza. Being able to go behind the scenes for Katy Perry's concert was definitely a once-in-a-lifetime experience. Seeing the amount of work and effort put in by so many members of the crew that are mostly out of sight during the event is something that most people do not consider when they attend. We were given a tour of the backstage area and front of house by Aaron, the Stage Manager and Meghan, a Sponsor Representative from Waterfront Promotions. As we were the only students to have that privilege it meant we could ask as many questions as we wanted – and we had lots!

Including how the equipment gets to each state and continent and set up and bumped out for the next leg of the tour, how the props are thought up and made, the role of the Stage Manager, the sound system and the stage layout as well as many other things. Towards the end of the tour, we were lucky enough to catch a sneak peak into a sound check of a few songs including ‘Not Like the Movies’. We also circled the backstage which opened our eyes to the tight space the dancers had to change in, the important role of the video crew, sound crew and the tech guys behind the curtains. We saw the audio monitors, screens and huge mixing desks. Backstage access was a mind-blowing experience which was a great privilege, being the only school to have this insight into the production. As we caught the tram back for dinner in the city, Madie was still speechless, which is rare for such a lively person like her! We enjoyed a nice Vietnamese style dinner in Swanston Street before heading back to Rod Laver Arena for the actual show, where we saw many excited fans dressed up in extreme wigs and costumes. The highly anticipated show kicked off with a performance by Zowie, an electric-pop singer from New Zealand and DJ Skeet Skeet from Los Angeles. We were so pumped even before Katy Perry came out; DJ Skeet Skeet even had Ms Kurick head bopping and us cheering! I am truly lost for words describing the concert as a whole. The lights, videos, dancers and most importantly, Katy Perry’s singing was amazing! She had so many costume changes, each one better than the last, and the choreography of her dancers was great. Her funny impersonation of an Australian accent and her friendly, carefree approach to the audience was well received. There were lasers, lights, pyrotechnics and projectors throughout the whole night which added to the quality of the show and having seen what goes on behind the scenes, we could really appreciate the importance of the backstage crew. We sang along to the songs, danced in our seats, clapped, cheered and screamed our lungs out for Katy as she was just fantastic. The show concluded with ‘Firework’ when real fireworks were set off and her encore song of ‘California Girls’. Even though it was a late night, and I was a bit sluggish the next day, I would say that it was one of the best experiences in my life shared with a great bunch of friends. Many thanks to Ms Kurick for supervising us, even though she was just like one of us that night. It was just amazing to see how everything finally comes together to make such a fantastic performance.

Larissa (with a little help from Jess, Valentin and Madison)

Stage Band performs at the Royal Melbourne Hospital

On Monday 16th May our Stage Band will perform for patients, staff and visitors at the Royal Melbourne Hospital Secondary School Live Music Festival as part of the Music in Health Program. They will also take part in a music therapy workshop about the role of music in health and wellbeing, music and the brain, as well as music therapy and will have the opportunity to participate in role-plays.
Delamare comes to Brunswick
Wednesday 25th May
as part of the
‘ROCK THE SCHOOLS
an education in Rock’n’Roll Program’

The Rock the Schools Tour, a four-month, 70-date travelling musical education initiative is less than three weeks away from coming to Brunswick SC!!!!!!! On arrival, the pop/rock Adelaide band Delamare and their entourage will pack in the audio and lighting gear in the PAR and set up for the live lunchtime concert. Selected students will also have the opportunity to take part in workshops covering audio engineering, music business, lighting production and a sound check with the band. Other workshops hosted by the band and crew will cover aspects relating to the industry including song writing, performance and recording through to technical roles and careers with Q & A with the band and crew. The excitement of the impending tour is heating up as the countdown begins – less than three weeks to go!!!!!!!
Education Maintenance Allowance
The EMA cheques are now available to collect from the front office for those parents who applied for Semester two payment.

Student Medical Conditions
Could parents of students who have anaphylaxis or other serious medical conditions please hand in a completed action plan for your child to the front office. If your child has a medical condition that the school needs to be aware of, please contact the level coordinator or Jeremy (school nurse).

BSC Office hours are between 8.30am and 4.30pm Monday to Friday. Phone calls and office enquires outside these hours will be recorded by the answering machine.
NB: If you are contacting the school to let us know your child is going to be absent, you can also e-mail the school on Brunswick.sc@edumail.vic.gov.au

Parents Victoria Online Conference 2011
- Parents Victoria will run its online conference from 15 to 21 May 2011.
- The conference will feature a number of hosted ‘live’ online discussions on key educational issues, such as the cost of schooling, canteen operations, fundraising, bullying, homework and student safety.
- Registration is free.
- Members and non-member schools with parents correctly registered and actively engaged in the conference are eligible to win prizes for their school.
- The conference is sponsored by the Department’s Office for Government School Education.
- To register, go to www.cybertext.net.au/pv/
- Further information and updates are available on the Parents Victoria website: www.parents.victoria.asn.au
  · If you would like to participate and do not have computer access at home, please contact the school and we will arrange for you to use a computer at the school during this time.
JUNE 2011 WINE FUNDRAISER ORDER FORM

We have selected a range of wines to be issued with our Brunswick Secondary College labels. They are great value wines that will suit all occasions.

**1. SOUTH AUSTRALIAN SPARKLING BRUT N.V.**
“Soft and Grapey” Soft & fresh on the nose. The palate has flavours such as musk & sultana.

**2. SOUTH AUSTRALIAN SAUVIGNON BLANC 2010**
“Citrus & Melon” A classic Sauv Blanc with a citrus & melon palate. Ideal with seafood or spicy Asian dishes.

**3. TWIN RIVERS 5TH EAST AUSTRALIAN CHARDONNAY 2008**
“Fruit & Toasty Oak” This fruit driven wine has a fresh palate of buttery ferment characters, creamy yeast & vanillin oak, finishing long soft & well rounded. Ideally matched with barbequed chicken and fish dishes.

**4. KING VALLEY PINOT GRIGIO 2009**
“Fresh Pears & Spices” The nose shows fresh pears, quince, spice, granny smith apples & delicate floral notes on the nose. A typically Italian style Pinot Grigio. Ideal with fish, chicken & salad dishes.

**5. MURRAY VALLEY CABERNET SAUVIGNON 2009**
Overtones of blackcurrant and stewed rhubarb on the palate, finishing with subtle tannins.

**6. SOUTH AUSTRALIAN MERLOT 2009**
“Cherries & Red Currants” The medium bodied palate is soft & rich with velvet like tannins. Red fruits continue from the palate with cherries, red currants & soft cedar oak flavours. Well matched to veal or lamb dishes.

**7. MURRAY VALLEY SHIRAZ 2009**
“Plums, Cherry & Spice” The palate displays rich sweet shiraz fruit with plums, cherries & spice. Well integrated American oak adds complexity with vanillin & coconut flavours. The wine is medium bodied with gentle tannins & ripe fruit. A perfect match for most types of pastas and red meats.

**8. SOUTH AUSTRALIAN MUSCAT (5YO)**
“Toffee Cream” Aromas of spice & sweet licorice straps. The palate has toffee creams & coffee flavours.

**9. MIXED STANDARD DOZEN**
Two each of wines #2 to #7. A great way to sample a fantastic selection of Australian wines.

Card No.: ___________________________________________ Expiry Date: / Total Amount: $_______

I authorise the above amount to be charged to my credit card. Signed: __________________________ Date: ____/____/____
**Assistive Technology: Computers can help!**

The Merri Creek Parent Support Group welcomes parents and educators to a workshop to be presented by Jo Evans.

**DATE:** 7.00 – 8.30 pm, Tuesday 10 May 2011

**VENUE:** Merri Creek Primary School, corner of Ida Street and Miller Street, Nth Fitzroy. Enter via main door, Ida Street.

Assistive Technology is designed to support all students using computer programs. For those who struggle with reading and/or writing text or have difficulty with a keyboard it can transform learning. For instance, converting text to speech (eg allowing an Internet article to be heard as an audio file) or converting speech to text (eg allowing a dictated story to appear as written text).

Presenter, Jo Evans, is a member of the SPELD computer committee, a part-time Learning Support Team teacher at Methodist Ladies College and also works part-time as the Special Needs Product Manager at Edsoft. Jo Evans will speak generally about the benefits of assistive technology and demonstrate two software programs – *Texthelp Read & Write 10 Gold* and *Dragon Naturally Speaking*.

Please RSVP to Karen Twigg at baska4@yahoo.com.au
Gold coin donation appreciated.
