Parents and guardians of students in Years 10, 11 & 12 are invited to a parent information evening. This workshop is presented by our Senior School teaching team and will focuses on strategies and resources available to parents in supporting students through their Senior School studies.

Date: Wednesday 11th February
Time: 7:00pm – 8:00pm
Location: BSC Auditorium

Staff will guide parents on how best to use revision tools, how to help students to establish effective study habits and advise on other ways and resources that provide for student wellbeing throughout this important period of their education.

All parents are encouraged to use this opportunity to meet the Senior School teaching team who will be working closely with your children this year, to ask questions and to share their experience.

We look forward to seeing you all there.

Regards,
Heather Secomb
Assistant Principal (Senior School)
Warren Evert
Senior School leader
