Dear Families,

As the end of the financial year approaches, we are writing to ask you to consider contributing to our Community Solar Project, “Generating Energy from our School for our School.”

Brunswick Secondary College is proud to have Moreland’s biggest solar system. It has 125 panels and is over 30kW in size. This is twenty times the size of an average household system. Students and staff have also committed to a program to save an equivalent amount of energy in using energy more efficiently.

The solar system is being funded by donations from school parents and community members. We have to date funded 65 of the 100 panels that were installed in January leaving 35 still to be funded. We are grateful for the generosity and community spirit of all who have contributed.

A donation of $400 funds one panel. While donors may wish to have the satisfaction of providing a whole panel, we would be grateful for any contribution.

Donations to the building fund are tax deductible so a donation will generate a tax reduction at the donor’s marginal tax rate.

To make a donation
Please fill out the attached form. For further information, contact the school on 9387 6133. Donors who wish to do so will be recognised on the Donor Plaque and on the website.

Yours sincerely,

Adam Ramage
School Council President

Peter Allan
Moreland Citizen of the Year

Vivienne Tellefson
Principal

Community Solar Project
Brunswick Secondary College Credit Card Payment.

Card Type  □ VISA  □ MASTERCARD
