7.8. The House System

All students and staff at BSC are assigned to one of the schoolhouses – **Abyad (white)**, **Cagaar (green)**, **Lan Se (blue)** or **Oro (gold)**. Each house is assigned a House Captain.

The House System is utilised to organise students into competition groups, most notably for intraschool carnivals such as the Athletics Carnival and the Swimming Carnival.

The system is also implemented for other activities on a whole-school or year-level basis, such as wellbeing activities; House activities which are largely inspired, organised, and led by students.

The House System provides opportunity for students to develop friendships across all year levels and to exercise their leadership and teamwork skills. In turn, this strengthens community ties, embedding and enhancing a sense of inclusion and self-worth in all participants.
